CIRCLE'S TEAM OF CONTRACT CARRIERS

“ Profitable, high quality carriers are essential to our ability to meet our customer’s needs. We would not be in business without solid, long-term relationships with our contracted Carriers. We view these relationships as integral to our long-term success.

- We give *small carriers* access to freight from **larger businesses**, which they could not access on their own.
- We pay carriers *quickly* with access to **direct deposit**.
- We provide a technology bridge, *enabling* small carriers to access the freight of shippers who require **EDI capabilities**.
